

Rizwan Khan

Executive Vice President, Marketing

Rizwan Khan, 42, is executive vice president of marketing at Tellabs. In this role, he is responsible for Tellabs' global marketing, communications, competitive intelligence, and partner initiatives.

Previously, Khan was senior vice president of global marketing, where he managed various marketing and strategy organizations inside Tellabs including: segment, channel and portfolio marketing, market strategy, internal and external market communications, and business development.

Khan has more than 15 years of telecommunications industry experience. His previous positions included director of product marketing and management for the Tellabs® 8800 multi-service router series and director of the solutions center for Tellabs' Asia Pacific region. Khan also has held several engineering and executive sales management positions at Motorola, Newbridge and Siemens.

Khan holds a Bachelor of Science degree in electrical engineering from the University of Engineering and Technology in Lahore, Pakistan.

About Tellabs — Tellabs helps customers succeed through innovation. That's why 41 of the top 50 global telecom service providers choose our mobile backhaul, optical networking and business services solutions. We help telecom service providers, independent operating companies, MSO/cable TV companies, enterprises and government agencies get ahead by adding revenue, reducing expenses and optimizing networks. With wireless and wireline networks in more than 90 countries, we enrich people's lives by innovating the way the world connects™. Tellabs (Nasdaq: TLAB) is part of the NASDAQ Global Select Market, Ocean Tomo 300™ Patent Index, the S&P 500 and several corporate responsibility indexes including FTSE4Good and eight KLD indexes. <http://www.tellabs.com>
